[TYPE] **Contest**, [MONTH 202X]
Theme: [CONTEST THEME]; **Form:** [your poem's]

[Your name]
[Your mailing address]

Place the same poem here, exactly same as above.

Final Notes: This 2 page, single document is required for 1 poem entry via email or website submission. Do not try to enter a poem as 2 separate 1 page documents. The **exception to this** is if submitting via USPS mail, in that case, print each page separately as normal and mail all pages.

Also, if you want to enter a second or third poem, you must create a separate 2 page single document for **each** of the other poems.

If your poem is too long to fit on a single page, then continue with the remaining lines to page 2 and start the second copy on page 3. In this case, you will be submitting 1 document 4 pages long for this poem.
